On your mark, get ready, get set.....

Back by popular demand, it's the BPCCC 100 Mini NASCAR® Race. We're off and running with plans for the 2010 race to be **bigger and better than ever!** With new participants and experienced champions from neighboring communities, you'll experience the atmosphere of being on the track, revving it up with other teams, gulping down tasty food and drinks from Cavalier Food Court, and there's even fun for the little ones at the "Kidz Pit Stop!" But, we know why you'll really be here - everyone wants to take home the coveted **checkered flag!** *With the number of teams being limited,* the 2010 race is filling up FAST, so get yourself in high gear and get **registered-NOW!**

At this point, a **pledge of participation is all that's needed to sign your team up** for the premier event of 2010 - the 2nd Annual BPCCC 100! Your TAX DEDUCTIBLE **entry fee (\$1500)** is due and payable by **DEADLINE: September 8, 2010.**
